To

H.V. Narayana Rao, Esq., B.A., LL.B.,
Secretary to the Government of Mysore,
Law Department, BANGALORE.

SIR,

I am directed to state that the work of ^{the} Process Establishment of the Court of the First Munsiff of Mysore, in which there are 8 amins has considerably increased, and each amin has to execute nearly 200 Processes a year instead of 150, the standard number fixed in paragraph 486 of the Civil Rules of Practice and Circular Orders Volume I (1936 Edition). Although in the City of Mysore the amins can execute more processes than in country parts, it appears necessary to increase their number by at least one. In the Process Establishment of the Second Munsiff of Mysore, there are now 6 amins, which appears ^S to be more than necessary, as the average number of processes executed by them in the last official year was 117 instead of 150. I am directed to recommend therefore that the number of amins' posts in the Court of the Second Munsiff of Mysore be reduced by one and the number of amins' posts in the Court of the First Munsiff of Mysore increased by one.

I have the honour to be,

Sir,

Your most obedient servant,

T. Shamiengar
REGISTRAR.
